

**IMPORTANT NOTICE**  
**Town of Kent**  
**2025 NEW FULL VALUE ASSESSMENT**

March 2025

**Dear Property Owner:**

**As part of the Reassessment Update Project, the town's assessment department has reviewed and analyzed all property assessments.**

Why you are  
receiving this  
Notice

**According to NYS Real Property Tax Law, all property assessments must be valued at the same uniform percentage. To maintain this legal requirement, assessment updates must be performed periodically. By implementing this program, assessments remain fair and equitable.**

What you need  
to know

**An assessment update does not generate more tax revenue for a municipality; it simply redistributes the tax burden fairly. NYS Real Property Tax Law §305 states that all properties must be assessed uniformly. Assessing properties at 100% full market value is the best way to ensure property assessment equity and reflects the current value of your property.**

**Keep in mind, the assessor does not determine taxes; this is the responsibility of each taxing jurisdiction. Assessments are merely the vehicle to determine the share of the property taxes owed.**

What you need  
to do

**PLEASE NOTE: ALL Informal Review submissions MUST be received by

When will the  
new  
assessments  
take effect?

**The new full value assessments will be final July 1, 2025, and will be applied to the School tax bills September 2025 and the Town/County bills January 2026. Parcels with recently completed/active building permits may receive a second notice after May 1, 2025.**

Sincerely,

Seth Plawsky, Assessor.
